1. ORGANISATIONAL CONTEXT

As a Community Service Organisation funded by the Department of Health & Human Services (DHHS), Junction Support Services (JSS) is mandated to comply with applicable DHHS policy directives. The *Safety screening for funded organisations* is one such policy directive.

JSS is required to maintain all documentation related to police checks for current employees, volunteers and students for the purpose of external audits authorised by DHHS. This includes, but not limited to, completed informed consent forms, certified copies of ID, National Criminal History Reports and Disclosable Police Record Assessment Reports.

2. POLICY STATEMENT

Junction Support Services (JSS) has a commitment to protect and not place at unreasonable risk vulnerable people, members of the communities we serve, the JSS workforce and anyone who enters a JSS workplace.

All JSS people who are in the scope of this policy must undertake a police check prior to commencement and every 3 years thereafter. They must also advise Human Resources if during their employment (paid/unpaid) or placement with JSS they are charged with, or convicted of a criminal offence.

In conducting a police check, JSS is demonstrating due diligence and equity and fairness in its selection and appointment of existing and prospective JSS people.

JSS is an accredited agency approved to access the CrimTrac National Police Checking Service (NPCS) through its Accredited User, CrimCheck.

CrimCheck applications (informed consent form) are conducted in a face-to-face interview with the applicant. In the event that a police check through CrimCheck is not practicable (eg, applicant's distance from JSS), a national police check may be requested through Victoria Police or similar authority.

Except in the case of student placements (refer to JSS' Student Placement Policy), JSS will not accept a previous police check or a police check completed from another organisation. Where an applicant has resided outside of Australia, JSS may require the applicant to provide an international police clearance (refer to clause 5.1 below).

JSS pays for pre-employment and post-employment police checks but does not pay for international police clearances or student placement police checks.

In conducting a police check, JSS will always comply with:

- all relevant state and federal legislation, in particular legislation which prevents discrimination on the basis of criminal records;
- the Commonwealth Spent Convictions Scheme;
- its obligations as set out in the Contract with CrimCheck; and
- its obligations as set out in the Service Agreement with the Department of Health and Human Services (DHHS).

CrimCheck acknowledges JSS' obligations under its Service Agreement with DHHS in relation to retention of police check documentation and discussion with an external third party in the case of a disclosable record. However, where there are inconsistencies between JSS' Contract with CrimCheck and DHHS' Service Agreement with JSS, the Human Resources Manager shall seek clarification and direction from both parties.

This policy sets out JSS' approach to obtaining a national police check as a pre-requisite for employment and/or placement in all JSS positions and as a condition of continuing employment and/or placement

3. SCOPE

This policy applies to all existing and prospective JSS employees, volunteers and students.

4. RESPONSIBILITY

4.1 Compliance with this policy

All people referred to in the scope are required to comply with this policy.

4.2 Human Resources

- is responsible for and have the authority to request a police check through CrimCheck
- must protect Police History Information at all times
- must retain existing employees', volunteers' and students' Police History Information for external audit purposes
- must not retain Police History Information beyond termination of employment (paid/unpaid) or placement
- must not reproduce Police History Information
- is responsible for the overall management of Police History Information
- assesses all disclosable outcomes

5. PROCEDURE

A police check can only be requested for the purposes of employment screening of existing and prospective employees and volunteers, and for the purposes of placement screening of prospective students.

JSS is obligated to discuss all police checks resulting in a disclosable record with appropriate authorities within the DHHS.

5.1 Pre-employment Police Checks, including volunteers

All prospective applicants are to complete a satisfactory national police check and, if applicable, an international police check prior to a formal offer of employment or engagement in a volunteer position. Verbal offers of employment are contingent upon, but not limited to, a satisfactory police check.

During the recruitment process, applicants must be advised of the requirement to undertake a police check.

Police checks on prospective Residential Care Worker applicants are completed at the time of interview for the position.

Police checks on prospective successful applicants for all other positions, including volunteers are completed following the verbal offer of employment.

A police check can only be requested (lodged with CrimCheck) after a National Police Checking Service (CrimCheck) *informed consent form* and JSS' *Consent to Release Police History Information to a Third Party form* [Appendix 1] have been completed by the applicant whose name will be checked and identity has been established using the CrimCheck 100-point check methodology.

Police check applications (consent) are processed by Human Resources through CrimCheck in accordance with contractual obligations.

When a police check is completed, JSS will retain as its permanent records the original completed consent and acknowledgement forms and confirmation that a police check has been conducted.

International Police Check:

As well as an Australian national police check, applicants who have resided continuously in an overseas country for 12 months or more in the last 10 years must provide JSS with a satisfactory international police check (at own cost) prior to a formal offer of employment.

Information on how to obtain international police checks can be found on the Department of Immigration's website: www.immi.gov.au/allforms/character-requirements/

Applicants must be informed through the recruitment process of the requirement to provide an international police check should the above criteria apply.

Where an international police check cannot be obtained or one month has lapsed since the applicant was informed of the requirement for an international police check, a statutory declaration [Appendix 2] from the applicant and 2 character reference checks from individuals who personally knew the applicant while they were residing in the other country must be completed. The credentials of the persons acting as referees must be verified and can include previous employers, government officials and family members. The applicant must be informed that referees will be asked whether they have knowledge or information concerning the applicant which would adversely affect the applicant from performing the job, including any criminal offences.

Before conducting overseas reference checks, Human Resources will ascertain from the applicant the steps he/she has taken to try to obtain an international police check. International police checks required for visa applications to work in Australia cannot be transferred and are not recognised by the DHHS. Therefore, they will not be accepted by JSS.

5.2 Pre-placement Police Checks

All prospective students are required to provide (at their own cost) a national criminal record check (police check) prior to a formal agreement for placement.

The date of issue on the National Police Certificate must not be more than 3 months at commencement of placement.

A disclosable police record will be assessed as per clause 5.4 of this policy.

For international students or students who have resided in an overseas country for 12 months or more in the last 10 years, as they are only in Australia for a short period, the requirement for obtaining an international police check is waived. However, they must complete a Statutory Declaration [Appendix 3] declaring they do not have:

- any charges laid against them by police concerning any offence committed in Australia or in another country in the past; or
- any offence of which they have been found guilty, committed in Australia or in another country in the past.

The Statutory Declaration must be provided to Junction Support Services prior to a formal agreement for placement.

The National Police Certificate will be returned to the student on the final day of placement.

5.3 Post-employment Police Checks, including volunteers

National police checks must be conducted once every three years on all existing employees and volunteers covered by the scope of this policy.

A 3-yearly police check can only be requested (lodged with CrimCheck) after a National Police Checking Service (CrimCheck) *informed consent form* and a Junction Support Services' (JSS) *Consent to Release Police History Information to a Third Party form* (Appendix 1) has been completed by the applicant whose name will be checked and identity has been established using the CrimCheck 100-point check methodology.

When a 3-yearly police check is completed, JSS will retain as its permanent records the original completed consent and acknowledgement forms and confirmation that a police check has been conducted.

There is no further requirement for an international police check after employment (paid/unpaid) has commenced.

5.4 Police Check Resulting in a Disclosable Record

A disclosable police record (national/international) does not automatically preclude a person from a job or placement with Junction Support Services (JSS). JSS must not discriminate on the grounds of a criminal record when making a decision. It is not an act of discrimination to find a person unsuitable for a particular role if the criminal record means that he or she is unsuitable to perform the inherent or essential requirements of that role or poses an unreasonable risk for clients, staff and the organisation.

Human Resources will manage the assessment process, including communication with the Department of Health and Human Services (DHHS), for all police checks requested by JSS that result in a disclosable record. In order to determine a person's suitability for employment, placement or ongoing employment assessment of the disclosable record is made in accordance with the assessment criteria detailed below.

Assessment Criteria:

- The relevance of the criminal offence in relation to the job or placement.
- The nature of the offence and the relationship of the offence to the particular job or placement for which the applicant is being considered.
- Whether the person pleaded guilty.
- Whether the person had legal representation when making the decision to plead guilty or not guilty.
- The length of time since the offence took place.
- Whether the person was convicted or found guilty and placed on a bond.
- Whether there is evidence of an extended police record.
- The number of offences committed which may establish a pattern of behaviour which renders the applicant unsuitable.
- Whether the offence was committed as an adult or juvenile.
- The severity of the punishment imposed.
- Whether the offence is still a crime, that is, has the offence now been decriminalised.
- Whether there are other factors that may be relevant for consideration.
- The person's general character since the offence was committed.

JSS Police Check Assessment Panel:

The Assessment Panel for all police checks resulting in a disclosable record shall comprise of the Human Resources Manager or Recruitment & Wellbeing Officer (whomever undertakes the assessment) and two members of JSS' Committee of Management, with one, wherever practicable, being the Chairperson.

1. Human Resources shall interview (Skype may be an option) the prospective applicant or existing employee to assess the disclosable police record following the above assessment criteria; reminding the applicant or existing employee that JSS is required to discuss his/her Police History Information with applicable authorities in DHHS.
2. Human Resources shall convene JSS' Police Check Assessment Panel, providing the Assessment Report to Panel members prior to the Panel convening.

Note: The criminal history information contained in the police check results is not to be copied verbatim in the Assessment Report. A summary only is provided.

3. JSS' Police Check Assessment Panel shall determine employment/placement suitability based on the assessment criteria listed above. Human Resources shall document the Panel's decision and rationale on the Assessment Report.
4. Human Resources shall inform the applicant or existing employee of the decision and the rationale.

JSS' decision not to employ a person or provide a placement, base on the thorough assessment, is final. An appeal process does not apply.

Communication with the Department of Health and Human Services (DHHS):

In the event of an affirmative decision by JSS' Police Check Assessment Panel, Human Resources is required to discuss the decision and rationale with DHHS' Ovens Murray Area Director prior to informing the applicant or existing employee. The Area Director cannot direct or override the decision but should provide their opinion regarding JSS' decision. Following the discussion, the Area Director should send an email to Human Resources to confirm the outcome of the discussion. The Area Director's email shall be attached to the Assessment Report.

In the event of a discloseable police record, whether or not JSS' Police Check Assessment Panel decides to employ the applicant, JSS has the obligation to notify the Disability Worker Exclusion Scheme Unit of that record. A notification is made online through the DWES portal, once a check has been raised.

All documentation relating to a person's police check must be shredded in the event of no formal offer of employment (paid/unpaid) or placement, or upon termination of employment.

8. BREACH OF THIS POLICY

Any breach of this policy may result in disciplinary action, up to and including termination of employment. Disciplinary procedures that can be actioned by Junction Support Services (JSS) will be in line with JSS' *Disciplinary Policy and Procedure*. If an individual's conduct results in a breach under law, they may also be personally liable.

Police Check Resulting in a Disclosable Record**CONSENT TO RELEASE POLICE HISTORY INFORMATION TO A THIRD PARTY**

Junction Support Services (JSS) is a funded organisation of the Department of Health and Human Services (DHHS). Under its Service Agreement with DHHS, JSS has an obligation to discuss with appropriate authorities in DHHS national and, where applicable, international disclosable police records of prospective employees, volunteers and students and of existing employees and volunteers.
